delivering takes our ambitious growth initiative, Vision Statement, Core Values, and the company's commitment to the future, and wraps them into one simple, powerful pledge. It's more than a new tagline or slogan on a brochure or t-shirt. *delivering* is the promise we're making to our customers and investors, to ourselves, and even to our competition, no matter what setbacks or success come our way, we're going to keep working, keep striving, and keep delivering on the potential we have to be the best railroad in the world.
